#### **Plan Cost**

1. A one-time non-refundable fee of \$250 is added to the estimate of service.
2. A minimum 50-60% deposit is required for all surgeries; **plus one-time fees** are collected on the day of scheduled surgery. \*Deposit amount is based on credit score report.
3. A \$3.50 convenience fee is applied to all monthly payments. This nominal service fee is in lieu of monthly interest fees. We strive to make payment plans as affordable as possible.

Payments will be broken into 8-12 payments, depending on credit score.

**This plan requires set-up one or more days before the surgery. This Plan cannot be set-up on the day of surgery.**
